## About Conference

Dear Colleagues,

The Scimeets takes immense pleasure to invite you to attend the “**Global Expert Meetings on Civil, Structural and Environmental Engineering**” hosted on **June 12-14, 2023 in Paris, France.**

**HYBRID EVENT:** You can participate In-person at **Paris, France** or **Virtually** from your home or work.

**GEMCIVIL2023** will include several plenary talks, keynote lectures, interactive sessions, academic discussions, oral and poster presentations, technical workshops and social events that will provide huge networking opportunities for the participants to share their experiences and new innovations on all aspects of Civil, Structural and Environmental Engineering. The organizing committee will include leaders in the field of Civil, Structural and Environmental Engineering and will guide the participants on the latest developments and emerging challenges in these fields.

The program includes several sessions over three days. The scientific and industrial presentations will create opportunities for meetings and collaboration between the various industrial and university centers.

We hope that this conference will be personally rewarding to you

## Scientific Sessions

- Architectural Design and Theories
- Structural Engineering
- MOEMS-MEMS in Photonics
- Coastal Engineering
- Landscape Planning and Design
- Traditional & Advanced Construction Materials
- Construction Market Research and Industry Analysis
- Quantum technologies
- Nanoscience + Engineering Applications
- Bio and Medical Optics
- Optical Metrology
- Laser Nanotechnology
- Holography
- Three-dimensional Transportation System
- Planning for Risk and Natural Hazards
- Civil Engineering and Architecture
- Civil Engineering and Architecture
- Materials Science
- Architectural Environment and Equipment Engineering
- Environment-Friendly Construction and Development
- Reinforced Concrete Structure
- Concrete Structures
- Water Resources Engineering
- Earth and Atmospheric Sciences
- Marine structures
- Constructional Steel Research
- Infrastructure in the Mining Industry
- Others

## Plenary & Keynote Speaker

**Young-Jin Cha**  
University of Manitoba  
Canada

**M. Shahria Alam**  
University of British Columbia  
Canada

**Jie Yang**  
RMIT University  
Australia

**Emin Taner ELMAS**  
EGE UNIVERSITY  
Turkey

**paulo cesar de morais**  
Catholic University of  
Brasilia

**Carlo Ingraio**  
Department of Economics,  
Management, and Business Law  
University of Bari Aldo Moro Bari

# Sponsorship Opportunities

Platinum- \$10,000

Gold- \$7,000

Silver- \$5,500

Bronze- \$3,000

Exhibiter- \$2000

	\$10,000	\$7,000	\$5,500	\$3,000	\$2000

## Additional Sponsorship Opportunities (Non-Exclusive)

Your company will be recognized on signage onsite at the specific event you sponsor.

WiFi Sponsor (\$2,500)

Welcome Reception Sponsor (\$5,000)

Closing Reception Sponsor (\$3000)

Registration Bag Sponsor (\$5,000)

Coffee Break Sponsor (\$2,500)

Plenary Speaker Sponsor (\$1500)

Lanyard Sponsor (\$3000)

Bag Inserts (\$1000)

Notepad Sponsor (\$2000)

Poster Awards (\$1200)

Young Scientist Session Oral Presentation Award (\$1200)

One Page Ad in the Conference Bag (\$1,000) \*production not included

## About Venue

Paris is a stunningly beautiful fantasy location. It stands out as one of the world's glamorous metropolises, sprawling along the banks of the Seine River in Northern France. Its cityscape gleams with classic architecture such as historical monuments and vintage palaces, art museums, cathedrals, sprawling landscaped parks, and chic shopping districts. A frequent tourist as well as a first-time visitor will be enthralled by the unique places of interest that define Paris' ageless beauty. Paris is regarded as one of the most beautiful cities on the planet because of all of these incredible sites to visit. A trip to Paris might provide you with an entirely new vacation experience.

The iconic Eiffel Tower, the Louvre Art Museum, Notre-Dame Cathedral, Paris Fashion Week, the French Open Grand Slam, and the Tour de France are just a few of the many popular and thrilling attractions that draw visitors from all over the world to Paris. These are the spots where the city's true beauty and glitz may be found. To put it another way, if you miss one of these places, your trip to Paris will be incomplete.
